## LIGHTNING SAFETY PROCEDURE

391 EGYPT ROAD, MOUNT PLEASANT, SOUTH CAROLINA, 29464

PHONE: 884-2528 FAX: 849-2778

www.tompsc.com

**TITLE:** LIGHTNING SAFETY PROCEDURES

**DATE:** March 17<sup>th</sup>, 2014

**REFERENCE NUMBER:** AO-400.01

**RESPONSIBLE AUTHORITY:** Assistant Recreation Director

PAGE 1 OF 2

**PURPOSE:** To insure as much as possible that the safety of participants is a priority and provide the proper procedure to mitigate the lightning hazard at Mt. Pleasant Recreation Department (MPRD) Athletic Division activities.

**POLICY:** Lightning is the most consistent and significant weather hazard that may affect outdoor activities; therefore the following procedures are to be followed to help insure the safety of MPRD participants and spectators by monitoring how far away the lightning is occurring and how fast the storm is approaching, relative to the distance of a safe shelter.

### **SPECIFIC PROCEDURES:**

1. MPRD has established a chain of command as to who monitors threatening weather and who makes the decision to remove a team or individuals from an athletic site or event. The chain of command will be as follows:
  - a. Facility Supervisor assigned to site/event
  - b. Game Officials/Referees/Umpires
  - c. Recreation Coordinator assigned to activity
  - d. Athletic Division Chief
  - e. Assistant Director
  - f. Director
2. The Facility Supervisor assigned to the activity/site will be the MPRD's representative at the site in the absence of the Recreation Coordinator. The Facility Supervisor will include in their daily procedures monitoring of the weather by visual, audio and electronic means.
3. MPRD will obtain a weather report each day prior to a practice or event. Staff will be aware of potential thunderstorms that may form during scheduled activities.
4. MPRD will monitor the weather reports and National Weather Service-issued (NWS) thunderstorm "watches" and "warnings" as well as signs of thunderstorms developing nearby.
  - a. A **watch** means that conditions are favorable for severe weather to develop in an area.
  - b. A **warning** means that severe weather has been reported in an area and for everyone to take proper precautions.
5. MPRD Staff will know where the closest "safe structure or location" is to the field or playing area and will know how long it takes to get to that safe structure or location. Safe structure or location is defined as:
  - a. Any building normally occupied or frequently used by people; ie., a building with plumbing and/or electrical wiring that acts to electrically ground the structure. Shower facilities are not to be used for safe shelter and **do not use** the showers or plumbing facilities during a thunderstorm
  - b. In the absence of a sturdy, frequently inhabited building, any vehicle with a hard metal roof (not a convertible or golf cart) and rolled-up windows can provide a measure of safety. The sides of the vehicle are not to be touched.
6. MPRD has designated the following areas as a "safe structure or location" for the sites listed below:
  - a. R.L. Jones Center Complex – The R.L. Jones Center building, softball field press box with roll up windows closed or individual vehicles in parking lot.
  - b. Duffy Complex – The concession stand/storage building or individual vehicles in parking lot.

# Mount Pleasant Recreation Department

## LIGHTNING SAFETY PROCEDURE cont...

- c. Patriots Point – Individual vehicles in parking lot.
  - d. Park West – MPRD Park West building, Park West gym, Pavilion building or individual vehicles in parking lot.
  - e. Whipple Road Complex – Tennis Center building or individual vehicles in parking lot.
  - f. Sloan Park - Individual vehicles in parking lot.
  - g. Moultrie Middle School - Individual vehicles in parking lot.
  - h. Town Hall Track & Field – Town Hall gym or individual vehicles in parking lot.
  - i. Old Wando Baseball Field- Press box or individual vehicles in parking lot.
  - j. Whitesides Elementary School - Individual vehicles in parking lot.
  - k. Reid & Speights Street Fields - Individual vehicles in parking lot.
  - l. Longpoint Soccer Field – Longpoint Amenities building or individual vehicles in parking lot.
  - m. Trident Academy Field – Individual vehicles in parking lot.
  - n. Cario Multipurpose Field - Individual vehicles in parking lot.
  - o. James B. Edwards Elementary School - Individual vehicles in parking lot.
  - p. Community Centers – Community center building or individual vehicles in parking lot.
  - q. Julian Weston Tennis Courts - Individual vehicles in parking lot.
  - r. G.M. Darby Building – The Darby building or individual vehicles in parking lot.
  - s. James B. Edwards Park - Individual vehicles in parking lot.
  - t. Alhambra Hall & Park – Alhambra Hall building or individual vehicles in parking lot.
  - u. Kearns Park and Pitt Street Bridge - Individual vehicles in parking lot.
  - v. Carolina Park – Individual vehicles in parking lot.
7. Overhangs, toilet trailers, restroom buildings picnic shelters, tents, dugouts or other areas not listed in section 6 are **not to be used** to avoid lightning.
8. It is the responsibility of MPRD Staff to be aware of how close lightning is occurring, by using a combination of the “flash-to-bang method” and issued lightning detectors. To use the “flash-to-bang method”, count the seconds from the time the lightning is sighted to when the clap of thunder is heard. Divide this number by five (5) to obtain how far away (in miles) the lightning is occurring. For example, if an individual counts 15 seconds between seeing the flash and hearing the bang, 15 divided by five (5) equals three (3); therefore, the lightning flash is approximately three (3) miles away.
9. Lightning awareness should be increased with the first flash of lightning or the first clap of thunder, no matter how far away. The most important aspect to monitor is how far away the lightning is occurring and how fast the storm is approaching, relative to the distance of a safe shelter
10. At a minimum, by the time the monitor obtains a “flash-to-bang” count of **30 seconds**, all individuals should have left the athletic site and reached a safe structure or location.
11. When consideration is being given to resumption of athletic activities, a 30 minute waiting period after the last flash of lightning or sound of thunder is recommended before returning to the field or activity.

## RELEASE OF CONFIDENTIAL INFORMATION

The rosters that are provided to each coach contain important, yet confidential information. Each and every coach has the responsibility to insure that this information remains confidential. The MPRD has taken steps to abide by the wishes of many parents in keeping this information confidential.

Do not just randomly make copies of your roster to give to every parent on the team. Some parents do not want their phone numbers or child's birth date to be given out. Please respect everyone's wishes in this matter. If you want to form a phone tree or have a team mom/dad, ask the parents for their phone number/address. This way, if they do not want to participate in this manner, they have the option to say no.

Do not make multiple copies of the roster for convenience. The chances of leaving a copy somewhere on the field or in the dugout become greater with the more copies that you have.

**If anyone approaches you at the field requesting such information for a promotion, tell them no. Request their name and phone number and have them get in touch with the MPRD. Notify the Facility Supervisor or any MPRD personnel at the site. Call and notify the MPRD as soon as possible.**

When requesting a roster to be faxed to your office, make sure that you get the fax promptly and that no other copies are available or thrown in the trash.

Please take the extra time and steps to help insure that this information does not accidentally fall into the hands of people who do not need it. All of our children are precious to us. It's worth the extra effort to help keep them out of harms way.

## TOWN SOCCER FACILITIES

- **Cheryll Woods-Flowers Soccer Complex** - 85 Patriots Point, Mt. Pleasant
- **Park West Complex** - 1251 Park West Boulevard, Mt. Pleasant
- **Carolina Park Complex** - Faison Road, Mt. Pleasant (down Airport Road near new hospital off hwy. 17)

\* **PLEASE NOTE:** Due to scheduling circumstances, there may be times when league games will be played at facilities other than those designated for a specific age group.

## FACILITY SUPERVISORS

There will be a facility supervisor at each game identifiable by a NEON YELLOW T-shirt or sweatshirt. They are Recreation Department employees, and as such, represent the final authority for each situation not handled by the referee.

Please familiarize yourself with these people. They are athletes themselves with expert credentials for being supervisors. If you have any concerns, suggestions, or information, please tell one of our facility supervisors. They have a Game Summary Form that they are required to complete at the conclusion of the contests at a particular site. This form is used to pass information on to the Athletic Coordinator and Athletic Division Chief on a daily basis.

## PROTESTS

**Regular Season** – Protests will be allowed; however, judgment calls by the officials cannot be protested. The proper procedure for filing a protest is as follows:

1. All protests, including player eligibility, must be initially filed with the head official at the game site by the protesting manager and entered on the score sheet at the time of the incident that prompts the protest. **Failure to do this will result in the protest not being recognized.**
2. The official protest form must be completed and submitted with a check for **\$50.00** by noon on the next business day (Mon-Fri) after the protest is made on the field, with the Athletic Division. Protest forms will be available at all sites.
3. The form must be properly filled out and include the following: 1. Coach's name filing protest. 2. League, Team and age division. 3. Date of protest. 4. Recreation Supervisor(s) present. 5. Game Official(s) present. 6. Protest described in detail to include rule being protested and the point of the game that the rule is protested.
4. The Protest Committee will make a recommendation on the outcome of a protest to the Athletic Division Chief. The Athletic Division Chief will have the final decision on the outcome of the protest.
5. The \$50.00 protest fee will be returned only if the protest is upheld by the Athletic Division Chief.
6. Managers will be notified and may be on hand to answer questions concerning protests as needed by the Athletic Division Staff.

**Tournament Protest** - Protests in tournaments will be allowed; however, judgment calls by the officials cannot be protested. The proper procedure for filing a protest is as follows:

1. The \$25.00 protest fee will be in effect during the tournament. If the protest is denied, the protesting team must pay the \$25.00 before their next scheduled game. If the protest is upheld, the protesting team is not obligated to pay the \$25.00 fee.
2. If a team continues to protest throughout the game, the Tournament Coordinator/Designee will have the discretion to accept or not to accept the protests. If a team is making a mockery of the game and abusing the intent of the rules, the team in question is subject to forfeiting the game.
3. All protests, including player eligibility, must be initially filed with the head official at the game site by the protesting manager, and entered on the official Protest Form and score sheet at the time of the incident that prompts the protest. **Failure to do this will result in the protest not being recognized.**
4. The game **will be halted** until protest is decided.
5. The Tournament Coordinator/Designee on site will confirm with all concerned parties, to include managers of both teams, game officials, and any other official deemed necessary to receive information to reach a decision on the protest.

## PLAYER ELIGIBILITY

All players must fill out a registration form and pay a fee in order to participate in the Soccer program. Scholarships are available on an individual basis. Contact the Athletic Division Staff for assistance concerning the scholarship program.

Each child must have a copy of his/her birth certificate or other acceptable document proving date of birth on file at the Recreation Department. First time participants must provide original documentation.

If a player is found to be ineligible because of a knowledgeable violation, all games in which that player participated will be declared forfeits.

No player will be allowed to play Junior Varsity or Varsity Soccer in any high school league and play in the Mt. Pleasant League at the same time.

## PLACEMENT OF PLAYERS ON TEAMS

The goal of our Recreation Department is to have all the teams in each league divided equally according to talent. Since we have no way of knowing the talent level of ALL PLAYERS, the only way that we can insure that no team "loads up" on the talent is to have evaluations and drafts. The method used to divide these teams is as follows:

1. The head coach's child/children will be allowed to be on the same team that their parents coach.
2. Siblings will play on the same team if their age allows them to, unless parents request that they play on separate teams.
3. A mandatory player evaluation will be conducted. This evaluation will help insure more balance among teams in each respective league. Players not present for evaluations will be randomly placed on a team.
4. Parent volunteer coaches may select an assistant coach **after** the draft/evaluation process. No requests for an assistant coach will be accepted.

Team assignments will be made after the registration period. **The Athletic Division (not by coaches) will make all deletions and additions to the team roster. NO TRADES WILL BE ALLOWED.** Sponsors may wish to sponsor the team that their child is randomly selected to. Sponsors will not be permitted to choose which coach their child will play for prior to the team selection. **NO PLAYER WILL BE ALLOWED TO PLAY UNLESS THEY ARE REGISTERED THROUGH THE MT. PLEASANT RECREATION DEPARTMENT.** A player cannot be drafted by a coach if he/she does not attend evaluations.

# Mount Pleasant Recreation Department

## PRACTICES

**No players are to be left unattended after practices have ended. An adult must stay until the last player has left the premises. Players are NOT allowed to be left with Facility Supervisors.**

All practice schedules must be strictly followed. In the event a coach cannot make a scheduled practice, all players must be notified by the coach.

More than one (1) team will be scheduled to practice on a field at one time. All coaches must share the space in an amicable manner.

Practice requests must be submitted to the Athletic Coordinator by 5:00pm Wednesday prior to the upcoming weekend or next week's practice.

After the allotted time is up, the practice must end immediately. Courtesy and consideration are paramount to satisfying everyone's requirements.

Teams are **not allowed** to practice when it is thundering or when lightning is present. Refer to the MPRD Athletic Division Policy, AO-400.01 **Lightning Safety Procedures**, for further information regarding lightning safety. This policy is located in the front of the manual right after Infectious Disease Guidelines.

## SCHEDULES

Due to the size of our entire club, In-House Rec. teams may have Friday night, Saturday or Sunday make-up games scheduled. Make-up games may include doubleheaders.

Schedules will be made up by the Mt. Pleasant Recreation Department. All games must be played at the time, day, and location outlined in the schedule or will result in forfeit unless MPRD has an extenuating circumstance.

The Recreation Department will reschedule any games that are postponed because of rainouts or reasons beyond the Rec. Dept. control. All league games will be rescheduled on the next available date.

The official team name is the sponsor's name. That name will appear on the game schedule. If the team does not have a sponsor; they will be given a name.

## RAINEDOUT INFORMATION

Register at [www.rainedout.com](http://www.rainedout.com) to get an update on the playing status of games when inclement weather exists. The Recreation Department and officials will determine if a game is rained out. However, "when in doubt, dress out."

## ALL-STAR INFORMATION

**PHILOSOPHY:** The philosophy of All-Star competition in the Mt. Pleasant Recreation Department is to make every attempt to select the most skilled and deserving athletes in their league/division. We ask that when you nominate a player please make sure you feel they truly are worthy of being labeled one of the best in the league/division.

**NOMINATIONS:** Each coach should submit a list of their players (at least one, no more than four) who they believe deserve All-Star selection. The players should be ranked in priority sequence with the best player listed at the top. The appropriate dates for the All-Star Tournament will be submitted to the coaches at a later date. Once player nominations have been submitted, a coaches meeting will take place to select the top players to participate in a state wide all-star tournament.

**SELECTIONS:** The Recreation Coordinator/Soccer will compile a master list of all candidates and return this list to all coaches. All coaches will meet and select players. Coaches are asked to take the time to observe those nominated prior to the coaches meeting.

**Each All-Star selected must pay an additional \$15.00 fee to participate in the tournament. There will be no discounts with this fee to include coaches, multi-child and town employees. Each All-Star will receive shorts & a shirt to keep.**
