IV. Discussion and Review of Draft Recommendations

▶ Ms. Boyles reviewed the draft recommendations with the Task Force. The Task Force discussed changes and made recommended additions.
Mr. John Wright, President of African American Historic Settlement Commission, suggested that each community should apply to be a consulted party.

Ms. Denise Fugo, Housing for All, stated that the Community Reinvestment Act, gives guidelines and requirements in working with minorities and combating “redlining”. She stated that there are three areas that should be addressed: not funding minorities, the community reinvestment act committees are not active and ensuring residential brokerage firms are adhering to the Community Reinvestment Act guidelines. She stated that one question brought up was to allow exemptions for historic settlement community homes.

Mr. Carson left at this time (5:25 pm).

Ms. Lyles left at this time (5:54 pm).

Ms. Smalls left at this time (5:58 pm).

The Task Force agreed to bring the draft recommendations to their respective communities for feedback.

There being no further business, the meeting adjourned at 6:05 pm.
