

LONG POINT ROAD EXTENSION

Public Information Meeting

February 22, 2018

The Town of Mount Pleasant (Town) welcomes you to this public information meeting for the Long Point Road Extension project. This project is part of the overall plan to extend Long Point Road from the existing location to Rifle Range Road and is represented as Phase 2 in the map below. This phase of the Long Point Road Extension project will specifically connect Long Point Road from N Highway 17 to Rifle Range Road and will enhance mobility for vehicles, pedestrians, and bicycle traffic and add capacity to the Town's transportation network.

The roadway extension project will intersect with the proposed Billy Swails Boulevard – 4B (shown red in the map below) and will include one lane in either direction, on-road bicycle lanes, and incorporate pedestrian and recreational bicycle facilities adjacent to the roadway.

The goal of this meeting is to provide an opportunity for the community to review and discuss the proposed extension of Long Point Road with representatives of the Town. Options for the extension are represented in the typical sections shown. The Town wants to receive feedback from you to help determine the preferred concept to move forward into Preliminary Engineering. In addition, the Town would like to receive your input regarding additional historic and cultural resources to supplement the ongoing efforts in data collection from the project team.

Proposed Project Schedule

Second Public Information Meeting
Summer 2018

Final Design
2019

Begin Construction
2020

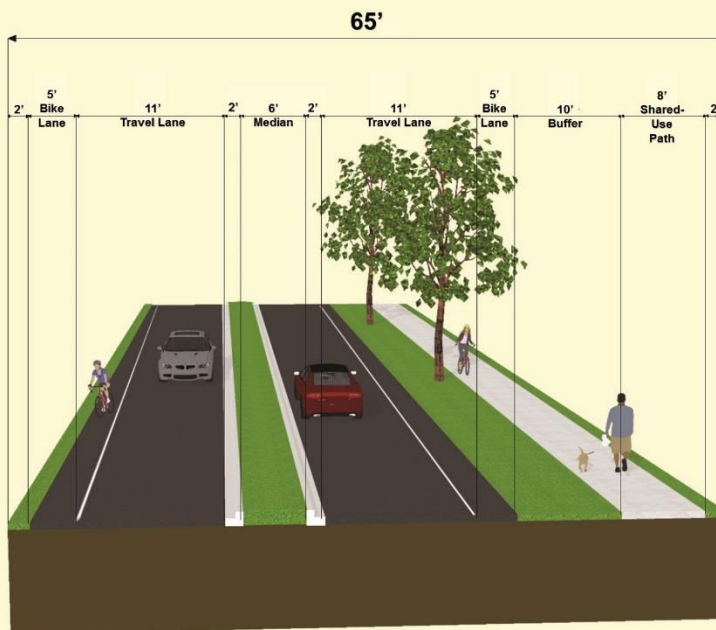

Comments:

We encourage you to provide written comments on the forms provided so we may have a record of your suggestions for consideration. The Town appreciates your attendance and strongly encourages you to provide input regarding this project in one of the following ways:

1. Complete the comment form and place it in the comment box provided.
2. Email comments to:
PLykins@tompsc.com
3. Mail your comments to:
Mr. Paul Lykins
Town of Mount Pleasant
100 Ann Edwards Lane
Mount Pleasant, SC 29464

Please submit comments regarding this project no later than March 9, 2017
