

GARBAGE

Guidelines for your Rollcart...

TRASH

Guidelines for your trash piles...

COLLECTIBLE ITEMS

Household garbage

Broken down cardboard boxes

RESIDENTIAL MEDICAL WASTE DISPOSAL

Must be disposed of in a manner that helps minimize health risks to waste management and landfill workers. Sharp medical objects must be placed in a medical/health care container with a tight-fitting lid and "Non-recyclable" written on it. Do not use glass containers.

UNCOLLECTIBLE ITEMS

Landscape materials

Construction materials

Anything in a non Town-issued cart

PROPER DISPOSAL OF PRESCRIPTION DRUGS

DO NOT FLUSH prescription drugs down the toilet. Instead, take them to a drug take-back location.

COMPACT FLOURESCENT LIGHTBULB DISPOSAL

Take all unbroken bulbs to a big box home improvement store where they will be properly recycled.

COLLECTIBLE ITEMS

Yard Debris - leaves/grass clippings in brown paper bags, brush, tree limbs

Appliances and metal items

Furniture, and other non-food items that you are unable to donate or recycle

E-waste - These items must be placed separately at the curb for special collection/ recycling. Residents can also take their e-waste to County drop-off sites for proper disposal.

UNCOLLECTIBLE ITEMS
